STANDARD: Written policy, procedure and practice shall require registration of juveniles under the Kansas Offender Registration Act. Community Supervision Agency programs shall adopt and implement written policy, procedure, and practice, which shall address registration pursuant to state and federal laws.

It is the responsibility of the Community Supervision Agency to ensure that juvenile registration occurs as required by K.S.A. 22-4901, et seq,. This responsibility shall not be delegated or assigned to residential or other service providers, although assistance may be requested. Each time a juvenile moves to a new county and takes up residence for more than ten (10) days, the juvenile is required to register with the Sheriff of the residential county.

Although it is always the juvenile's responsibility to register pursuant to K.S.A. 22-4901 et seq., the Community Supervision Agency shall make every effort to ensure the juvenile's compliance with registration obligations.

DISCUSSION: None
